

They say time flies when you're having fun, this year we've had the fun, some frustrations but overall a fabulous year.

Haydonleigh has always grasped the challenges thrown at us be it Covid, snow, extreme heat and continued government directives. I am thrilled to share with you how amazing all of our statutory data compares to both national and local averages this year. We are waiting for final validation before I can share the detail but a massive well done to staff and children.

Whilst academic achievement is important, it has never been the be-all and end-all, we expect that children simply do their best. With this in mind, I am equally thrilled with the success of the school football team and all our endeavours in local sporting competitions. Our House Captains and many ambassadors have worked hard throughout the year to promote the school's values.

I would like to take this opportunity to thank you all for your continued support and wish you a relaxing summer break.

SUMMER

There have been lots of posts on our social media over the last few weeks advertising some great ideas for keeping you and your family busy over the holidays.

Here's a reminder
from National Online
Safety of tips
to share with
your child regarding
online safety.

More information is available on their website.

ABSENCE

As you may already be aware, government guidelines, which came into effect on 1st September 2013, prevent Head Teachers from granting any leave of absence during term time, unless there are exceptional circumstances. Family holidays taken during term-time due to lower cost / parental work commitments does not fall under the category of 'exceptional circumstances

Any request for leave must be made in writing. A response will be returned indicating whether the leave is authorised. Any absence not authorised may be liable to a local authority penalty notice.

Good attendance is key to pupils making good progress and taking time out to go on holiday can significantly hamper progress.

SAFEGUARDING

Following on from the successful assemblies we held in June. We have had fantastic feedback from the children. There are lots of resources available for parents and we will continue to share anything we think is helpful via our social media and the School Jotter app.
